Division of Oil and Gas 2006 Annual Report

Forward

This 2006 Oil & Gas Report, released May 2006, includes production information through December 31, 2005, and contains the most recent Division of Oil and Gas oil production forecasts by field and reserve estimates. The division did not release an annual report in 2005 or 2001. Reports are available on the Division of Oil and Gas Web site at www.dog.dnr.state.ak.us/oil

2006 Oil and Gas Report

For the period ending December 31, 2005

Alaska Department of Natural Resources
Division of Oil and Gas

Table of Contents

One

Leasing, Licensing, and Incentives

Oil and gas leasing programs, exploration licensing, and incentive programs.

Two

Oil and Gas Units

Oil and Gas units and their participating areas on the North Slope and Cook Inlet. Statewide list of Alaska's fields and pools.

Three

Historic and Forecast Production

Historic oil and gas production from Alaska's North Slope and Cook Inlet from 1959 to the present. Oil and gas production forecast for North Slope and Cook Inlet.

Four

Royalty Production and Revenue

Historic royalty oil and gas production, and royalty in-kind sales contracts by volume and customer for each unit, participating area, and field.
