This map was created, edited, and published by the State of Alaska, Department of Natural Resources (DNR), Division of Oil & Gas (DOG).

The information displayed is for graphic illustration only. The source documents, revision the official record. Consult the Unit Files, Lease Files, and Land Administration System (LAS) or other sources comprising the official public record for additional information.

Discrepancies in boundary alignments are the result of merging multiple data sets from a number of different sources.
