Map Location

0 0.5 1 2 Miles

This map was created, edited, and published by the State of Alaska, Department of Natural Resources, Division of Oil and Gas.

The information displayed is for public information only. The source documents remain the official record. Consult the OIG file, Lease File, and Land Administration System (LADS), or other sources, including the official public record for additional information.

Discrepancies in boundary alignments are the result of varying map data sets from a number of different sources.
